## CITY OF GARDINER, MAINE - SITE PLAN FOR PERMIT APPLICATION

Attach or draw below, a site plan showing size, location and ground floor elevations of all existing and/or proposed structures, sewage disposal facilities, water supply facilities, stormwater facilities, direction of surface water drainage and areas to be cut and filled. Include lot dimensions, property boundaries, distances of structures from boundaries, distances from high water marks on marsh, water brooks, ponds, streams, brooks, rivers, wetlands. Show the location of any signs, exterior lighting, landscaping and buffering. Indicate location, dimensions and materials of driveway, parking areas, sidewalks and/or street openings. Show flow of vehicular and pedestrian traffic into and through the property. Identify established street(s) and intersecting road name(s). Give distance to/from property line pins to opening and distance to/from opening to nearest intersecting road.
